Subject: Food Venue Fire Safety Inspections

The Connecticut State Fire Marshal's Office now requires local Fire Marshal Offices to conduct fire safety inspections for all food venues, including food tents, food trucks, trailers, and similar mobile or temporary food service operations.

Failure to comply with this requirement may result in the temporary closure of the food tent, vehicle, or trailer until the required inspection has been completed and approval for operation has been granted.

To schedule an inspection or for additional information, please contact me at (203) 393-2100, Extension 1119, or by cell at (203) 509-6828.

Thank you for your cooperation.

Respectfully,

Stephen C. Sousa

Fire Marshal
